**Subject: Mid-Cape Home Centers partners with AmVets organization**

**South Dennis, MA** – Mid-Cape Home Centers South Dennis is now a drop off site for unserviceable American Flags that are no longer fit to serve as a symbol of our country.

Partnering with the Cape Cod American Veterans Post 333, Mid-Cape Home Centers donated the lumber to construct the drop-off boxes. The Cape Cod AmVets Post 333 will collect and destroy all flags in a dignified, proper manner.
