**Subject: Mid-Cape Home Centers employees earns CGP designation**

**South Dennis, MA** – Mid-Cape Home Centers is pleased to announce that J. Andrew Shakliks has earned his Certified Green Professional™ (CGP) designation through the National Association of Home Builders.

The CGP is an exclusive designation offered by the National Association of Home Builders, designed to teach building industry professionals strategies for incorporating green building principles into homes, using cost effective and affordable options.

Requirements for designation include 24 hours of classroom instruction, industry experience and adherence to the CGP Code of Ethics.

Shakliks, who is the Contractor Special Services Manager, has been with Mid-Cape Home Centers since 2000 and has been in the building Industry since 1993. He will be available for green building consultation for builder and architect customers. He holds a degree in Architectural Engineering from Wentworth Institute and now lives in Eastham with his wife and son.
